

A Well Known Woman Speaks.

In Every Town in Oregon Neighbors Say the Same.

Portland, Oregon.—"I have used Dr. Pierce's Favorite Prescription for my nerves and a general break-down and after using only three bottles I was completely cured. I also used Doctor Pierce's Golden Medical Discovery for the blood and it proved very beneficial."

"I can heartily recommend Doctor Pierce's medicines."—Miss J. B. HAUGH, 643 Deane Ave.

The mighty restorative power of Dr. Pierce's Favorite Prescription speedily causes all womanly troubles to disappear—compels the organs to properly perform their natural functions, corrects displacements, overcomes irregularities, removes pain and misery at certain times and brings back health and strength to nervous, irritable and exhausted women.

It is a wonderful prescription, prepared only from nature's roots and herbs, with no alcohol to falsely stimulate, and no narcotics to wreck the nerves. It banishes pain, headache, backache, low spirits, hot flashes, dragging-down sensation, worry and sleeplessness surely and without loss of time.

Why should any woman continue to worry, to lead a miserable existence, when certain help is at hand?

What Doctor Pierce's Favorite Prescription has done for thousands it will do for you. It's not a secret remedy for its ingredients are printed on wrapper. Get it this very day from any medicine dealer in either liquid or tablet form.

The Salt in the Sea.

The Pythagoreans held that the sea was salt by reason of the tears shed by Kronos, father of Zeus. According to the old Hebraic tradition, the ocean was originally a great body of fresh water, but which was made salt by the abundant tears of the fallen angels. One sect of Buddhists believe that Lot's wife—that is to say, the "pillar of salt" which was once the wife of the humble gentleman named above-ellies at the bottom of the ocean in a certain narrow strait and that once each year the waters of all oceans flow through that narrow channel. The Talmudic writers say that it was never salt until Moses went repentance after breaking the tables of stone.

Rules of Knights of the Garter.

Except on state occasions Knights of the Garter are not likely to display any token of their dignity, but in former days Knights of the Garter had to look resplendent on all occasions. "It was an original law," we are told in a history of the order published in 1841, "that the knight should never be without his garter. Afterward he was permitted to wear instead of the garter a blue lace or thread round his leg when on horseback, but this has long been neglected. It is still, however, incumbent on every knight to have about him at all times though not necessarily displayed, the badge or some part of the decorations, and we believe the rule is obeyed."
